Yesterday on Fox I was placed on the wrong segment & in the confusion made a brash and unprofessional joke. To Fox and those watching, I am deeply sorry.  
  
My feeling simply is that Big Government creates dynasties like the Clintons that won't go away & Americans are over it.

We need to fully investigate Hillary's emails.

Fact:

Had I done what she did when I was serving in the military (and had my security clearance) I would have been thrown into prison.

@realDonaldTrump it's time to #DeclassifyFISADocs very frustrating as Hilary walks free! What they've done to @GenFlynn & his family is unfathomable. This ISN'T how we treat an "HONORABLE" man who served our Country for over 30 years!

Hope everyone had a great weekend. I finally celebrated my birthday with brunch with my family it was wonderful. As we brace for another wild week:  
Never let anyone make you feel bad for who you voted for or try to make you feel guilty for loving your country.

MSNBC is losing its mind over Whitaker as acting AG.  
  
Whitaker has the dirt on Hillary and sees through the Mueller sham. They're terrified of him.

Why would anyone do this to themselves? What point does this prove? She has an ass? Who doesn't? How does this help our country or society improve at all? How irrational and immature is this stupid act ?? This is child's play BS.
